Dear Ms Krzysztofik

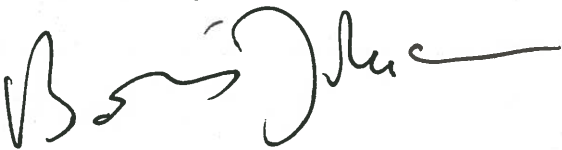

Thank you for your email requesting a message of support for this year's Days of Poland Festival. I am happy to provide the following message:

'Once again, it is a real joy to provide a message of support for the Days of Poland Festival, which takes place on the scenic Potters' Field.

I am proud of London's diversity and this one-day event is an example of the rich cultural mix in the greatest city on earth. London's Polish communities continue to our economy and society. I am pleased to hear that City Hall is working with Polish-related organisations to involve the community in our engagement programme.

While this festival will undoubtedly resonate with those of Polish heritage, I would like to encourage all Londoners to attend what promises to be a fun-filled fiesta."

Yours sincerely

Boris Johnson
Mayor of London
